Pro Max Professional Wood Refinishing

To whom it may concern:

As senior partner in Attention To Detail, I Dennis Ezmerlian do highly recommend Pro Max for all professional wood stripping and refinishing. Over the past 15 years I have used Frank, and Max for restoration work on some of Winnipeg's finest old mansions and have always been impressed with the results. I wouldn't use any other company for this type of work as my business reputation depends on fine sub-trades, such as Pro Max. Thank you Frank, Max and your fine crew for putting the finishing touches on some of my most outstanding restoration projects over the past 15 years!
